

2017 Department of Biology Awards

GORDON J. AND RELLA CHRISTENSEN SCHOLARSHIP

Tyler Christiansen, Biology

I was born in Lincoln, Nebraska, on June 24, 1994. I graduated from Pleasant Grove High School with high honors in May of 2012. I served as a full-time missionary for The Church of Jesus Christ of Latter-Day Saints in Manchester, England from 2013-2015. I have enjoyed working as a lab assistant for dentists in Orem and Logan, Utah. I currently serve as the Publicity President of the Logan LDS Institute Association. I am currently a 4.0 student at USU pursuing a bachelor's degree in human biology. I look forward to spending the rest of my life drilling teeth and making smiles beautiful.
